

Dear Mr. Somers;

May 2nd 2018

This letter is to inform you that I am still requesting all of the letters I have written to the D.A. in order to prove prosecutorial misconduct. This letter is to inform you that I am still requesting copies of the photographs of Cheri Dubuques injuries in the D.V. case for mitigation and trial purposes. This letter is to inform you that I am still requesting my records from Wright Services (Victor Ave. - Redding) and therapist Ken Cockeril for mitigation and trial purposes. This letter is to inform you that I am still requesting a copy of the case file from Cheri Dubuques 2005 conviction for 288(A) p.c. for cross-examination and impeachment purposes. This letter is to inform you that I am still requesting any discoverable records of Cheri Dubuques parole supervision for cross, impeachment and general trial purposes. This letter is to inform you that I am still requesting notes taken by Record-Searchlight reporter Joe Sydlowski regarding official corruption in Shasta County law enforcement for cross, impeachment and general trial purposes. I am still requesting Aerial photos of Highway 99 West between Buckhorn Summit / county line and Town of Old Shasta for traffic case reconstruction. I am still requesting video taken by record searchlight of my 9/11/2016 preliminary hearings to prove ineffective counsel. I am still requesting official transcripts of all Marsden hearings in order to prove ineffective assistance of counsel and denial of Constitutional rights by counsel and Judge Dan Flynn.

Thank you,
Robert A Gibbs
