Re: People v. Gibbs (15F5736)

Dear Mr. Gibbs:

I am in receipt of your letter dated December 3, 2018, which brings to my attention the various grounds in which you have based a federal lawsuit against Shasta County, but also that you claim your plea in the above-referenced cause was involuntary. The actions you request be taken as the Presiding Judge (rejection of plea, recusal of the assigned judge and dismissal of your case) are case-specific and not properly before me, and therefore I cannot address them. The legal remedies you seek will need to be brought before the Court in a manner that is procedurally compliant with all applicable statutes and case law in order to be addressed. I encourage you to seek the assistance of your legal counsel in doing so.

Sincerely,

A handwritten signature in black ink, appearing to read "Gary G. Gibson", is written over a faint, larger version of the same signature.
